DETAILED ACTION

Response to Amendment

1. The amendment was entered on September 8, 2004. Claims 7-25,27-32,39-57,59-64,71-89 and 91-96 are pending.

An Examiner's Amendment was going to be proposed to clarify the below mentioned claim objections, but a response from the applicant's representative was not successful.

Claim Objections

2. Due to the amendment on September 8, 2004, claims 7, 39 and 71 are objected, because the claims are missing a "wherein the step of selecting includes the steps of" statement or similar language between lines 11 and 12 and 16/17 and 13/14, respectively, and should be inserted. Support for this missing statement is found in the specification on page 8, lines 23-27.

Currently the claims are interpreted as a series of steps from step a) to step i). However, step d) contains sub-steps f), h) and i). Thus, a "wherein the step of selecting includes the steps of" or similar language statement should be inserted as mentioned above.

Allowable Subject Matter

3. Claims 7,39 and 71 would be allowable if rewritten or amended to overcome the objection.

Pending the objection, dependent claims 8-25,27-32,40-57,59-64,72-89 and 91-96 depend from the respective independent claims; thus, the dependent claims would be allowable.

4. The following is a statement of reasons for the indication of allowable subject matter:

The reason for the indication of allowable subject matter was address in a previous office action filed on 06/08/2004.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
